Title of Grant: \_\_\_\_\_ Grow Baby Grow

School: Martin Elementary                      Subject Area: Science

Individual Submitting Evaluation: Jessica Bennett

To ensure that Alief ISD Education Foundation Innovative grant funds continue to enhance, promote, and augment classroom instruction as well as address unique needs of our school campuses. Please answer the following question:

***Was this grant project worthwhile?***

*Yes! This impacted how we teach our plant units*

***How did your grant project impact the children it served?***

*This grant has had great impact on our Pre-Kinder, Kindergarten, and PEP GT students. This grant has provided them a way to view the whole plant life cycle and a place to observe plant growth in their classrooms. Since the plant mobile is on wheels this provides us with a mobile way to services all of our classrooms and the three tiers provide plenty of room and light for all of the classes needing it.*

*What were your stated goals? Did you achieve your stated goal(s)? If not, why not?*

*Would you recommend these materials/techniques to be requested for other classrooms?*

*I would definitely recommend these materials for other classes, which is why I requested the same materials for next year!*

***Please use this evaluation form when submitting your evaluation report at the end of the grant cycle.***

***Attach any pictures or data that supports the success of your program.***
